How this connects to the other assignments

From Assignment 1: title, tags and SEO are built on the keywords "kids makeup kit for girls" and "kids makeup set".

From Assignment 2: the product, its supplier photos and options, the DSers connection and the advance-payment rule for imported items.

From Assignment 4: Rs 2,999 sits inside the Rs 1,649 to Rs 4,995 toy-store range; we show delivery dates and contents clearly because most competitor listings do not.
