How this connects to the other assignments

From Assignment 1: title, tags and SEO are built on the keyword "mini makeup kit for girls" and its supporting keywords.

From Assignment 2: the product, its 5 colours, contents and Markaz supply.

From Assignment 4: Rs 1,200 sits in the middle of the Rs 449 to Rs 2,199 market range; we show every colour and the full contents because most competitor listings do not.
